

**RESEARCH PROJECTS APPROVED BY UNISWA RESEARCH BOARD AND AMOUNT APPROVED FROM 1995 TO 2008**

<b>List</b>	<b>Names of Researchers</b>	<b>Title of Research Projects</b>	<b>Date Approved</b>	<b>Amount Approved (Balance)</b>
1	O. T. Edje	Potential of Weeds as Green Manure for Bean Production	19 June, 1995	10 000.00
2	K. J. B. Keregero B. M. Dlamini S. K. Subair	Inventory and Utilization of Agricultural Research in Swaziland	19 June, 1995	22 668.00
3	L. P. Makhubu S. M. Lwenje P. N. Fakudze	Anaerobic Digestion of Organic Waste Production of Biogas in Swaziland	19 June, 1995	20 000.00
4	S. K. Nyarku V. S. B. Mtetwa	Chemical Analysis and Studies on the Environmental Effects of Additives in Paper Products and Effluent from Pulp and Paper Mills in Swaziland	19 June 1995	10 000.00
5	L. P. Makhubu J. D. Msonthi O. O. G. Amusan G. M. Dlamini	Inventory and Phyto-Chemical Screening of Medical Plants and Underutilized Food Crops in Swaziland	19 June, 1995	77 700.00
6	J. O. Okonkwo V. S. B. Mtetwa S. M. Lwenje	Measurement of Lead (Pb) Levels in Blood, Hair and Urine of School Children and Petrol Attendants in Manzini, Swaziland	19 June, 1995	30 000.00
7	W. D. Kamera E. C. L. Kunene E. S. Sibanda	<i>Tinganekwane TesiSwati</i> / SiSwati Folktales	19 June, 1995	33 480.00
9	A. Monadjem	The Identity and Distribution of Rodents in Swaziland in Relation to Climate Conditions and Habitat Factors	19 June, 1995	2 523.40
10	O. T. Edje M. Mkhabela	Pigeon-pea Production and Cropping Systems	19 June 1995	18 691.00
11	K. J. B. Keregero M. P. Dlamini	Women's Creation and Use of Technology in Rural Swaziland	19 June, 1995	14 220.00

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
12	J. N. Sama P. M. Dlamini J. Rugambisa A. Okorie O. N. Ama	Establishing Enterprise Budget for Principal Crop and Livestock Enterprises for Small and Medium Size Farmers in Swaziland.	19 June, 1995	8 710.00
13	B. J. Dlamini G. Z. Khumalo	Cattle Performance and Nutritive Value of Pastures on Swazi Nation Land	27 October, 1995	45 348.88
14	M. Y. Khalifa T. Ntiwane T. E. Sibiya	Iron-fortification of Some Dairy Produces using Dairy By-Products as Iron-Organic Source	27 October, 1995	20 140.00
15	M. N. Shandomo X. R. Dlamini	Incidence of Bovine brucellosis among the Swazi Nation Land Cattle and the Optional Age for the Efficacy of the Use of Strain 19 Vaccine in the Calfhood Vaccination in Swaziland	27 October, 1995	6 966.96
16	G. N. Shongwe S. S. Mamba M. E. Nxumalo	Micronutrient Research in Swaziland: The Level of Zinc, Copper, Manganese and Iron in Some Major Soil Sets in Swaziland	27 October, 1995	23 133.20
17	D. Nkambule	Women Managers in the Banking Industry in Swaziland	27 October, 1995	7 427.88
18	A. J. Varkey A. F. Fort M. D. Dlamini	Preparation of Solar Energy Materials by Spray Painting	27 October, 1995	6 720.00
19	G. Ocen M. L. Vilakati B. J. Dlamini	Maize Stover and Poultry Manure as Feed for Growing Cattle	27 October, 1995	11 690.60
20	O. T. Edje M. Mkhabela J. Pali-Shikulu	Screening of Multi-Purpose Legume Species for Hoe Hedgerow Intercropping with Maize	3 May, 1996	23 133.20
21	P. N. Fakudze J. Matondo S. M. Lwenje	Organic acids in Food Processing Waste Water and the Effects of Land-Based Disposal of the Waste Water on the Mobility of Elements in Soil	3 May, 1996	18 000.00

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
22	P. N. Fakudze G. E. P. Staff	Environmental Impact Assessment of Development Activities in the Mbuluzi River Basin	5 September, 1996	65 503.20
23	S. M. Lwenje J. O. Okonkwo V. S. B. Mtetwa	Iodine Deficiency Studies in Swaziland	5 September, 1996	62 949.08
24	G. K. Karnavar C. N. Magagula	Molecular Events Involved in Adult Insect Neuron Proliferation and Differentiation under Hormone Influence: A Basis for New Approaches in Insect Control	5 September, 1996	77 910.00
25	A. Okorie P. M. Dlamini	Funding of Agri-Business in Swaziland	5 September, 1996	23 452.90
26	S. Mamba V. S. B. Mtetwa J. Okonkwo	Analytical Reference Materials Project: Preparation, Distribution, and Multi-element Analysis of a Sugarcane Reference Material	5 September, 1996	Approved in principle
27	M. J. Ndabandaba N. Mndzebele	A Profile of the Business Section in Swaziland, and the Creation of the Local Business Case Studies	5 September, 1996	22 500.00
28	B. A. Matanmi G. T. Masina D. M. Earnshaw	A Study of the Biology, Ecology and Economic Importance of the Bean Stem Maggot Complex in Dry Beans in Swaziland	5 Sept., 1997	33 412.20
29	K. J. B. Keregero B. M. Dlamini W. B. Sikhondze	The Status and Role of Livestock Owners in the Implementation of Recommended Livestock Improvement Practices on Swazi Nation Land	5 Sept., 1997	26 760.10
30	M. M. Keregero M. P. Dlamini	A study of Opportunities and Attainments in Science by Gender in Swaziland	5 Sept., 1997	11 979.80
31	H. Kockaert	Comparison of the SiSwati and French (English, Portugues) Based on Articulation	5 Sept., 1997	11 908.00

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
32	Prof. H Faki Researcher Centre	Collection of Abstracts/Preparation of Abstracts on Research on Swaziland (by Researchers from different faculties of UNISWA)	5 Sept., 1997	11,125.00
34	A. Sesay I. S. Kunene	Assessing the Productive Potential of Bambara Groundnut/Jugo Bean as a Food Crop in Swaziland	12 Dec., 1997	15 137.00
35	A. Monadjem	An Investigation into the Population Size and Community of Birds in Acacia Savannah in the Swaziland Lowvelds	11 March, 1998	6 901.20
36	A M Dube P Shongwe	Determination of Farmers' Major Agricultural Information and Material Needs in Swaziland	11 March, 1998	12 796.76
37	O. T. Edje Z. Mamba	Soil Fertility Research with <i>Crotalaria juncea</i> as Green Manure Crop for Bean Production	7 August, 1998	23 401.50
38	L. P. Makhubu O. O. G. Amusan P. S. Mamba J. D. Msonthi B. Dlamini	Ethnobotanical Survey and Phytochemical Studies of Medicinal Plants in the Manzini Region of Swaziland	7 April, 1998	22 003.74 38 478.529 (Additional Funding, 19/05/2000)
40	A. Okorie M. Masuku S. Dlamini	The Performance and Impact of the National Agricultural Marketing Board (NAMBOARD): Implications for Public Enterprise Reform and Agricultural Development in Swaziland	7 August, 1998	26 310.30
41	A. B. Elhiraika L. M. Manana	Outreach and Sustainability of Savings and Credit Co-operatives in Swaziland and Lessons SMMES Finance	7 August, 1998	30 474.90
42	Research Centre H. Faki L. P. Makhubu A. Sesay A. V. Gama	Tracer Study on UNISWA Graduates	3 Nov., 1998	30 474.90

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
	C. W. S. Sukati N. Mndzebele H. L. Ndlovu M. P. Dlamini			
43	A. J. Varkey	Construction of Solar Stills and Evaporation	12 March, 1999	8 204.00
44	K. Chinonge M. M. Sithole	Formulation of Growing Recommendations for Green House Floriculture Crops with Export Potential from Swaziland	12 March, 1999	15 000.00
48	E. J. Mwendera A. M. Manyatsi	Analysis of Reference Evapo-transpiration Rates and Water Requirements of Some Irrigated Crops in Swaziland	16 April, 1999	28 496.68
49	B. A. B. Sikhondze	Cultural and Financial Constraints to the Adaptation of Modern Technology in Agriculture in Rural Swaziland, 1855-1975	16 April, 1999	14 859.00
50	P. S. Dlamini	Facilitating Collaboration Between Traditional Healers and Western Health Care Workers in the Management of Chronic Illnesses in Swaziland	16 April, 1999	18 613.00
51	S. I. Sithole	Clinical area placement Experiences and Coping Strategies of Basic Nursing Students	16 April, 1999	7 569.00
52	A. Sesay I. S. Kunene C. N. Magagula	Studies on Some Ecophysiological Factors Limiting Yield of Bambara Groundnut in Swaziland	29 September, 1999	29 499.85
53	C. N. Magagula	The Distribution of Carabid Beetles <i>Coleoptera carabidal</i> Relative to Landscape Fragmentation and Disturbances	29/09/1999	4 337.92
54	S. M. Lwenje V. S. B. Mtetwa	Assessment of Iodine Deficiency in Pregnant Women in Swaziland	29/09/1999	26 792.60

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
55	C. W. S. Sukati	The Relevance of School Education to the Needs of Industry in Swaziland	19 May, 2000	5 254.38
56	K J B Keregero B. M. Dlamini K. Simelane E. M. Manana	Evaluation of the Schools Agriculture Programme in Swaziland: Implications for Curriculum Reform	19 May, 2000	39 089.00
57	A. M. Dlamini S. M. Silaula	Enrichment of Dairy Products with Indigenous Fruits from Swaziland	19 May, 2000	32 073.00
58	R. L. Vilakati M. N. Shandomo	Semen Characteristics of the Indigenous Goats of Swaziland	19 May, 2000	28 774.35
59	A. B. Mansuetus I. S. Kunene J. O. Tetteh	Population and Identity of Bacteria on the Waters of Usuthu, Usushwana and Komati Rivers	19 May, 2000	16 435.40
60	G. C. Bwembya J. M. Thwala S. M. Silaula D. A. Otieno	Nutritional Analysis of Some Major Micro-Nutrients in Common/ Indigenous Swazi Foods	19 May, 2000	30 156.70/ 34 771.50
61	J. M. Thwala S. S. Mamba V. S. B. Mtetwa A. O. Fadiran	The Environmental Assessment Impact of Pesticides in Swaziland	19 May, 2000	42 412.00
62	G. Z. Khumalo O. T. Edje B. J. Dlamini	The Use of Cattle and Goat Manure for Tomato Production	19 May, 2000	28 719.20
63	KJB Keregero CA Kyara TD. Mkhathshwa NA Sukati HS Simelane JPB Mutangira	Needs Assessment Study for the Consultancy and Training Centre (CTC)	30 October, 2000	45 000.00
64	B R T Vilane E J Mwendera M P Dlamini	An Assessment of Rain Water Harvesting Technologies and Quality of Harvested Water	30 October, 2000	35 743.82

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
	J P B Mutangira			
65	A. Monadjem	An Investigation into Population Sizes and Community Structure of Birds in Riverine Vegetation in Lowveld of Swaziland	30 October, 2000	7 023.36
66	T A M Mahlaba A Monadjem C N Magagula	The Ecology of Small Mammal Community in a Mixed Woodland Savanna: The Effects of Nesting Site Availability and Infestation with Parasites on Fecundity	30 October, 2000	17 486.56
67	L. P. Makhubu O. O. G. Amusan C. N. Magagula O. T. Edje	Studies of the Use of Endod ( <i>Phytolacca dodecandra</i> ) for the Control of Bilharzias and Malaria in Swaziland	11/06/2001	48 293.90
68	P. L. Biswalo K. J. B. Keregero	Evaluation of the Educational Impact of Outreach Radio Programmes in Swaziland: The Case of <i>Imvelo Nentfutuko</i>	11/06/2001	36 593.12
70	M. M. Keregero K. Simelane	Sex Role Representation in Selected Primary, Secondary and High School Textbooks in Swaziland	11/06/2001	23 077.36
71	G. N. Shongwe	Micro-nutrient Research in Swaziland: II Response of Maize to Zinc Application in Some Major Soil Sets in Swaziland	11/06/2001	10 591.04
73	S. T. Mkhonza	Language and Dominance in Khamdumbadumbane	11/06/2001	13 672.40
76	A. Monadjem	An Investigation into the Breeding Ecology of Birds at Mlawula North – Eastern Swaziland	7 November, 2001	19 601.28
77	M. F. Biswalo L. D. Vilakati J.P. B. Mutangira	An Assessment of the Student Support Services Provided by the Institute of Distance Education (IDE) at the University of Swaziland (UNISWA)	7 November, 2001	9 170.94
78	E. A. Aiyelari	Preliminary studies on the Effect of	16 April, 2002	28 014.08

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
	M. Mwinjilo E. J. Mwendera A. M. Manyatsi	Tillage Methods and Mulching on the Yield and Growth of Maize and Cabbage and Soil Properties in Swaziland		
79	F. M. Badejo T. E. Sibiya	The Effects of Supplementation with Soya Bean Meal on the Nutritional Quality of Weaning Soft Porridge ( <i>Indengane</i> )	16 April, 2002	28 688.69
80	S. V. Dlamini A. F. Murye M.D. Mathunjwa	Types of Medical Waste Generated by Health Institutions in Swaziland	16 April, 2002	39 400.64
81	M. Mlipha D. Manyatsi	An Investigation of Basic Environmental Knowledge, Attitudes and Practices of Secondary and High School Teachers in Swaziland	16 April, 2002	21 831.76
82	E. M. Ossom M. Nxumalo	Influence of Sweet Potato and grain legume crops Grown in Monoculture and in Association on Crop Growth and Yield in Swaziland	16 April, 2002	34 134.00
83	M. N. Shandomo T. M. Dlamini X. R. Dlamini	Monitoring of Seasonal Strongle Egg Output and the Effect of Strategic Anthelmintic Treatment	16 April, 2002	46 537.00
84	P. K. Wahome	The Production of Disease-and Pest-free Sugarcane Plantlets Through Biotechnology in Swaziland	16 April, 2002	42 169.00
85	P. E. Zwane D.J. Mwaisengela	Comparison of Technologies in the SADC Region for Suitability in spinning Sisal Fibres for Rural Women in Swaziland	16 April, 2002	23 961.92 (16,407.85)
86	K J B Keregero J Pali-Shikulu	The Relevance, Accessibility and Effectiveness of the Agricultural Extension Service in Swaziland	20 June, 2003	48, 531.95
87	D M Mgheni R L Vilakati-Kiondo	Evaluation of Sugar Cane Tops as a Ruminant Feed in the Lowveld	20 June, 2003	48, 878.48

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
	J Rugambisa	Communal Areas of Swaziland		
88	H Z Nkambule	Knowledge Attitudes and Practices of Swazi Youth Regarding the Custom of <i>Umcwasho</i>	20 June, 2003	45, 546.92
89	M L Mwinjilo E A Aiyelari	An Assessment of the Performance of Tractor Hire Services in Swaziland under Government, Individual Farmers and Cooperatives	20 June, 2003	19, 229.60
90	G Tati M. M Keregero	Male-Female Household Leadership, Diversification of Activities and Differentials I Labour Resources Allocation in Swaziland	20 June, 2003	12, 737.00
91	UNISWA Research Centre and University Planning Centre	A Need Assessment Survey of Adult Education Needs and Opportunities in Swaziland	20 June, 2003	29, 000.00
92	J S Mtshali A F Murye	Community Involvement in Malaria Control Activities	20 June, 2003	33, 479.40
93	A Monadjem	Breeding Ecology of Birds at Mlawula, North-Eastern Swaziland: An Inter-Annual Investigation	20 June, 2003	23, 978.88
94	A M Zamberia K Gathu	HIV/AIDS at the University of Swaziland: The Influence of Social-Structural Factors	20 June, 2003	13, 785.63 (9,785.63)
95	UNISWA Research Centre	A Study of Research Needs for Mitigating the Impact of HIV/AIDS Pandemic in Swaziland	20 June, 2003	30, 500.00
96	C N Magagula A B Mansuetus	Increasing Bambara Groundnut ( <i>Vigna subterranean</i> ) Production in Swaziland.I.Variety Development	8 November 2004	32,103.60 (4,506.33)
97	C W S Sukati E Chandraiah H S Simelane M. M Sithole	Comparative Analysis of the Academic Achievement of a Cohort of BA [Hums] Students Studying Full-time and those studying by Distance Learning Mode	8 November 2004	25,431.40

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
	C M Magagula			
98	E M Ossom O T Edje M H Nxumalo	Effects of Growing Cassava and Grain Legume Crops in Monoculture and In Association	8 November 2004	44,658.50 (185.91)
99	S Tefera B J Dlamini W M Dlamini A M Dlamini	Evaluation of Vegetation Diversity, Veld Condition, Soil Seed bank Characteristics and Diet Selection of Cattle in Swazi rangelands	8 November 2004	49,784.80 (200.00)
100	M A Isika M B Masuku T S Sgwane	Effect of Feed Restriction on Point of Lay, Peak Production and Gross Profit Margin of <i>Hy-line brown</i> Pullets at the UNISWA Poultry Farm	8 November 2004	37,282.08 (286.02)
101	D A Otieno L P Makhubu O O G Amusan J Thwala	Bioprospecting of Indigenous Vegetable and Fruit Plants of Swaziland	8 November 2004	38,271.50
102	A Monadjem	Factors Influencing the Distribution and Abundance of bats in North-eastern Swaziland	8 November 2004	23,978.88
153	Dr. J.I. Rugambisa Dr. M.B. Masuku	The contribution of urban agriculture to household income and food security: a case of Mbabane and Manzini cities	27 April, 2005	46, 962.00
136	E J Mwendera A M Manyatsi	Impact of climate change on the sustainability of hydroelectric power generation in Swaziland	27 April, 2005	48, 730. 00 (4,674.20)
154	Dr. P.K. Wahome Mr. V.D. Shongwe	The propagation of marula ( <i>Sclerocarya birrea subsp. Caffra</i> ) trees by tissue cultural biotechnology	27 April, 2005	40, 538.00
111 (RB 2005/18)	UNISWA Research Centre	Supplementary Examinations at UNISWA: Extent, Causes and Implications	23 November, 2005	29,500.00
112 (RB 2005/19)	O T Edje E K Mavimbela	Response of Bambara groundnuts [ <i>Vigna subterranean</i> (L) Verdc.] to varying inter-row and plant densities	23 November, 2005	43,233.32 (0.23)

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
113 (RB 2005/20)	M A Isika M B Masuku T S Sigwane	Potential Effects of Dietary Bitter Leaf ( <i>Vernonia amygdalina</i> L.) Meal on Performance, Egg Yolk and Serum Cholesterol on laying Pullets	23 November, 2005	37,779.33
114 (RB 2005/21)	Y Mijinyawa M L Mwinjilo P Dlamini	Assessment of Crop Storage Structures in Swaziland	23 November, 2005	39,807.68 (912.91)
115 (RB 2005/22)	E M Ossom M H Nxumalo	Effects of Filter Cake on Agronomic and Ecological Characteristics of Maize ( <i>Zea mays</i> L.) in Swaziland	23 November, 2005	45,297.20
116 (RB 2006/06)	W O Mukabwe M L Mwinjilo	The Status of Servicing and Repair of farm Machinery and Equipment used on Swazi Nation Land	28 April, 2006	37, 654.30
117 (RB 2006/07)	H Z Nkambule T F Khumalo	Factors Influencing Gender Violence in Swaziland	28 April, 2006	39, 182.44
118 (RB 2006/08)	E Z Mazibuko K Gathu T D Mkatshwa D M Manyatsi	The Role of Government, Parents, Teachers, Students and other Partners in School Management in Swaziland	28 April, 2006	48, 125.00
119 (RB 2006/09)	G. Nyakutse E Z Mazibuko	Teaching and Assessment Skills of Senior Secondary School Teachers: A Study of Geography, History and Religious Education Teacher Skills in Swaziland	28 April, 2006	26, 640.40 (3,005.18)
120 (RB 2006/11)	H Kabir F A Oni	Corporate Social Responsibility and Accounting Information Disclosure in Swaziland: The Case of banking, Manufacturing and Hotel Industries	28 April, 2006	38, 144.00
121 (RB 2006/13)	A J Varkey M D Dlamini	Development of an Indigenous Water Filter using Anthracite and Clay: Phase II	28 April, 2006	22, 114.32
122 (RB)	A. A Jibowo M A Dube	Effectiveness of Agricultural Extension in Swaziland	7 September, 2006	40, 456.28

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
2006/16)				
123 (RB 2006/17)	A M Zamberia L P Mabundza	HIV Related Stigma and Social Support for People living with HIV and Aids in Swaziland	7 September, 2006	28, 979.58
124 (RB 2006/19)	O T Edje E.M. Ossom	Effects of Intercropping Jathropha curcas (L.) with Dry Beans ( <i>Phaseolus vulgaris</i> (L.)) at Varying Plant Densities on Growth and Yield	23 November, 2006	47, 552.72 (6,226.13)
125 (RB 2006/20)	M P Dlamini M B Masuku	Business Ventures and Environment for Graduate Entrepreneurs in Swaziland	23 November, 2006	47, 728.88
126 (RB 2006/21)	M B Masuku J I Rugambisa	Contract Farming and Risk management in the Broiler Industry in Swaziland	23 November, 2006	39, 166.54
127 RB 2006/22)	E K Mavimbela O T Edje	Effects of Strip Intercropping Bambara Groundnut ( <i>Vigna subterranean</i> (L.) Verdc) with Maize ( <i>Zea mays</i> L.) on Growth and Yield	23 November, 2006	35, 467.23
128 (RB 2006/23)	D N Mbewe P K Wahome V D Shongwe	Effects of Irrigation Regimes and Mulching on Growth, Yield and Quality of Cabbage ( <i>Brassica oleracea var. capitata</i> )	23 November, 2006	38, 684.20
129 (RB 2006/24)	E M Ossom S Mhlongo B Lupupa	Influence of Weed Control Methods on Sandanezwe ( <i>Chromolaena odorata</i> ) in Swaziland	23 November, 2006	66, 521.12
130 (RB 2006/25)	G N Shongwe P Maseko	Evaluation of Ameliorants for Correcting Soil Acidity in Swaziland Soils	23 November, 2006	14, 293.00
131 (RB 2006/26)	A F Murye T S Nkambule R Mathew J P B Mutangira	Assessment of the Role of Policy in Environmental Conflict Management in Swaziland	23 November, 2006	34, 315.76
132 (RB)	N A Sukati P S Dlamini	Efficacy of the HIV and AIDS Symptom Management Manual	23 November, 2006	49, 124.30

List	Names of Researchers	Title of Research Projects	Date Approved	Amount Approved (Balance)
2006/27)	M S Mkhabela			
133 (RB 2006/28)	A B Mansuetus C N Magagula	Increasing Bambara Groundnut ( <i>Vigna subterranean</i> ) Production in Swaziland: III. Pre-on-farm Trial	23 November, 2006	44, 074.60
141	A N Mutukumira N Mhazo M T Masarirambi V D Shongwe T E Sibiya	Characteristics and consumer acceptability of dried ( <i>Amaranthus spp</i> ) in Swaziland	26 April, 2007	42, 870.00
142	R L Vilakati R M Dlamini	Indigenous chicken characteristics and contribution to rural food security in Swaziland	26 April, 2007	22, 892.84
143 2007/11	Dr M.T. Masarirambi Dr P.K. Wahome Mr. V.D. Shongwe Mr. N. Mhazo	Effects of organic manures on production of cabbage ( <i>Brassica oleracea var capitata</i> )	29 October 2007	E41,054.50
144 2007/12	Miss N. Motsa Dr M.T. Masarirambi Mr. V.D. Shongwe Dr P.K. Wahome	Production of tomato ( <i>Lycopersicon esculentum</i> Mill.) using different hydroponics systems	29 October 2007	E21,802.80
145 2007/13	Ms Z.P. Ndlela Dr A.M. Dlamini Mr. M.M. Mkhwanazi	Surface water quality in urban and peri-urban areas in Swaziland: The case of Mbabane, Manzini cities and the surrounding areas	29 October 2007	E47,956.50
146 2007/14	Prof. E.M. Ossom Mr. C. Tfwala	Response of two varieties of cassava ( <i>Manihot Esculenta</i> Crantz) to five levels of filter mud fertilisation	29 October 2007	E48,730.40
147 2007/15	Dr G.C. Bwembya Dr T.E. Sibiya Dr J.M. Thwala Prof. D.A. Otieno	Micronutrient content of cooked common Swazi vegetables	29 October 2007	E48,771.00
